**CALL TO ORDER**

Board chair Teri Belli called the meeting of the Board of Directors of the Community Foundation for Monterey County to order at 3:32 PM, Tuesday, April 27, 2021.

**Auditor's Report**

Loren Steck introduced the auditor Kim Said of Hutchinson and Youngblood, LLC. The auditors issued a clean, unmodified opinion for the 2020 audit.

Kim summarized the audit process and timeline. The process went smoothly and was completed on time.

**Audit Summary**

- There was no adoption of new accounting policies
- There were no issues noted in the financial statement disclosures
- No issues with accounting estimates and judgements: liabilities related to split interest agreements of Charitable Annuities and Charitable Remainder Trusts.
- No significant or unusual transactions

Kim reviewed the statement of activities and financial positions thoroughly with a PowerPoint presentation. She discussed assets by category, comparison of revenues over a 4-year span, funds by type and allocation, expenses by function and discretionary grants awarded in 2020. She highlighted the increase in donor advised fund contributions of both non-endowed and endowed in 2019 and 2020. In 2020 funds received increased by 73%. Kim summarized the discretionary grants by program and region.

The total net increase in assets for 2020 was \$41,545,164.

After the presentation an executive session was called.  
Upon return, the board recommended approval of the 2020 audit.

**Motion: to approve the 2020 Audit Report as presented.**  
**Joe Pezzini / Elsa Mendoza Jimenez. Motion carried unanimously.**

There was acknowledgement that an RFP for a new auditor occurs every 4-5 years. It was suggested the Audit Committee discuss whether an RFP is appropriate.

### **Consent Agenda – Teri Belli**

Teri Belli requested the board read the consent agenda before meetings to cut down on the extra time used for committee reports. She asked for any comments from the consent agenda.

- Board Meeting Minutes – February 23, 2021
- Executive Committee Minutes – March 23, 2021
- Finance Committee Minutes – February 23, 2021
- Audit Committee Minutes – March 31, 2021
- Audit Committee Minutes – April 21, 2021
- Philanthropic Services Committee Minutes – March 10, 2021
- Community Impact Investment Committee Minutes – March 30, 2021

**Motion: to approve the Consent Agenda as presented.**

**Kirk Gafill / Birt Johnson second. Motion carried unanimously.**

### **REPORT OF THE CHAIR – Teri Belli**

Teri led a discussion on how diversity, equity and inclusion (DEI) can be integrated into the fabric of the board's work. There is a large scope of work ahead and Teri presented the idea of using the model of the CFMC's staff DEI workgroup rather than starting a new formal committee. The workgroup would be made-up board and staff, learning from each other and together. This workgroup would begin to explore what the objectives, priorities, and first steps will be toward formulating policy. Some of the topics suggested in the discussion were:

- Include input from outside community leaders in objectives.
- Consider training with a facilitator.
- Create an equity audit
- Use the resources and examples from other members of the LCCF

After an in-depth discussion Teri asked the board to contact Dan or Teri to participate in the DEI Working Group (5-6 participants). The new group is expected to convene in June and Laurel Lee-Alexander will be the CFMC staff lead.

Teri emphasized the importance of the 100% giving by the board in order to meet the grant requirements of third-party funders. Each board member is expected to make an annual financial contribution to the Foundation according to their personal means.

### **TREASURER/FINANCE COMMITTEE – Dan Baldwin for Jan Vanderbilt**

Dan reviewed the financial statements for March and focused on the March financials. He highlighted the total assets through 3/31/21 of \$350,913,535 is an historic high for the foundation. A 35% increase over March 2020.

The finance committee will review the operating cash-on-hand policies for 2021.

There are 2 corrections on p.31 Notes to the Financial Statements:

1. The Chaffers Living Trust donation of \$500,000 was not to the Operating Fund, but to the designated fund for SPCA. 2. The name of Mr. Steve John should be the Monterey Peninsula Foundation with the gift of \$481,480 to the Covid-19 Relief Fund. The corrections have been noted and changed.

Dan compared the combined operating fund budget vs. actuals between 2020 and 2021. He described the variance in grantmaking between 2020 and 2021 and showed how the MC Gives and Monterey County grants are reflected in 2021 related expenses.

Dan summarized the March 31, 2021, total assets, development, granting and operational line items that highlight CFMC is in a very sound position.

**Motion: to approve the February 28, 2021 and March 31, 2021 financial statements.**  
**Birt Johnson / Loren Steck second. Motion carried unanimously.**

**COMMUNITY IMPACT INVESTING (CII) – Nolan Kennedy**

Nolan thanked the CII committee members for their engagement and commitment to this 2-year (new) investment process. The first version of a report provided by the consulting firm Community Capital Advisors was presented to the board. Nolan reviewed the total amount of capital funded and withdrawn and the loan recipients. The report described the deployed loans with repayment and reporting updates. Nolan highlighted some of the businesses that received these loans showing the details of the direct impact of these investments to the community. The board was very impressed by the consultant's data and report format.

The committee is looking at additional loans for 2021.

**COMMUNITY IMPACT COMMITTEE– Betsy Buchalter Adler**

Betsy reported on the grants approved from February 1 – March 31, 2021 totaling \$4,263,123 that went into the community.

**Motion: to ratify 492 grants from February 1, 2021-March 31, 2021 totaling \$16,498,948.**

**This includes \$7,711,856 that went out in MC Gives grants.**

**Betsey Pearson / Judy Guzman Krueger second. Motion carried unanimously.**

After the motion there was a discussion about the approval of grants and how the process works. The discussion clarified how the grants committee and staff review and approve the applications, then the board ratifies what the staff has the authority to approve. The confusion was in the use of the words "approve" vs "ratify."

The motion was updated to use the word ratify.

**CEO REPORT- Dan Baldwin**

**Events Update - Christine Dawson**

CFMC is planning for the 2021 Celebration of Philanthropy in fall 2021. It may be a hybrid event with virtual and in-person attendance, depending on health regulations and guidelines in place later in the year, and the comfort level of attendees.

The next donor education event May 13 from Noon-1 p.m. Francine Rodd is facilitating a live panel discussion on Mental Health Awareness in Monterey County. Two other donor education events are coming up, a discussion on how Covid-19 has affected the arts in Monterey County with Dan Baldwin

moderator, and Equal Access Monterey (how to bring the high speed internet for the county) will be led by Monterey Bay Economic Partnership (MBEP).

The Women's Fund Luncheon will be postponed for 2021. There will be a 2021 digital campaign to raise money for the GHGH scholarships.

#### **Real Estate update Dan Baldwin**

The CFMC is working on the sale of a commercial property at 1075 South Main in Salinas. There is a purchase agreement in process. Some issues were raised about the parking ingress and egress, which were not reflected in the appraisal value of \$2.45 million. The purchase price is somewhat less than the appraised value. The CFMC counsel and realtor are working closely with CFMC staff on closing the sale.

#### **James Irvine Foundation**

CFMC is in a conversation with James Irvine Foundation about a \$2.5 Million grant for an Inclusive Economic Development initiative.

#### **Return to Offices**

Plans and guidelines are being drafted by a CFMC staff team for a phased approach to open the offices. At this time, the Monterey office will be the primary location for office use. We are not basing the opening on a date, but on the health circumstances and regulations in the County.

The question for the board is about board meetings. We will be sending a survey to the board to get a sense of what people prefer for the near future until further notice, board and committee meetings will continue in the Zoom format.

In June, Dan and Laurel will give a delayed presentation on CFMC grantmaking.

Distinguished Trustee

Dan described the Distinguished Trustee award process and list of recipients. The committee reviewed the 2021 and past year's nominations. There was an engaged discussion about a group of highly respected and deserving individuals. At the end of the discussion three candidates stood out and the committee agreed on the first and alternative choices to recommend to the board. The first choice is Mel and Regina Mason and alternate, Bruce Taylor. All the candidates have a long history of outstanding leadership and have all demonstrated exceptional generosity and commitment to building important institutions in Monterey County.

**Motion: to recommend to the full board at the June 22, 2021 meeting, Mel and Regina Mason as the Distinguished Trustee for the 2021 Celebration of Philanthropy. If for any reason they decline, Bruce Taylor will be the alternate.**

**Nolan Kennedy / Birt Johnson, Jr. second. Motion carried unanimously.**

The November 23 Executive Committee meeting is rescheduled to November 16.

**LCCF CEO/Board Chair Retreat**

Teri and Christine Dawson attended the League of California Community Foundation's Board chair/CEO retreat. Teri focused on the topics presented by the keynote about how community foundations, donors and board members are addressing advocacy and public policy guidelines. Each community foundation is handling advocacy and leadership in different ways. It was recommended that all the facets of advocacy could be a topic for a future board meeting.

**TREASURERS REPORT– Jan Vanderbilt**

Jan reported the financial statements have not been reviewed by the finance committee and will approved at the June board meeting.

Jan highlighted the total assets through April 30,2021 are \$361,222,799 a 31.74% increase over April 2020. The grantmaking total is \$18,073,806 compared to \$11,054,574 for 2020.

#### **INVESTMENT COMMITTEE – Dan Baldwin for Giff Lehman**

Dan reported the investment committee meeting in May included presentations of the first quarter portfolio reviews by Kaspick and Verus. The presentations we about process and updates with no additional information to report.

#### **COMMUNITY IMPACT INVESTING – Nolan Kennedy**

The committee met in early May. The CII committee has been approached by CHISPA about a new affordable housing project in King City. They requested a pre-development loan for \$250,000 to fund the architectural and engineering development costs. This project is the first opportunity for CII to get involved in affordable housing.

#### **PHILANTHROPIC SERVICES COMMITTEE – Betsey Pearson**

The committee will meet in June. Christine Dawson updated the board on the 2021 Celebration of Philanthropy ideas. At this time, the idea of a hybrid live streamed event at Spanish Bay is being researched. Corral de Tierra is under renovation and not available. The feedback from the executive committee was positive about the hybrid concept, with flexibility and choice as the main concerns. The date will be based on the availability of the Distinguished Trustees and even if the event itself cannot be in person, the award ceremony will still take place.

#### **COMMUNITY IMPACT COMMITTEE – Betsy Buchalter Adler**

There are no grants for approval at this time. Both sub-committees have met and been very productive. The June board meeting will have a full slate of grants to approve.

#### **PRESIDENT/CEO REPORT - Dan Baldwin**

##### **Return to the office**

Dan described the steps the CFMC is taking towards re-opening the offices. Dan has received recommendations from the CFMC staff team. The health, comfort level and safety of the staff is all being considered before any final decisions are made. Salinas office is being used as a staging area for the Vida program's community testing kit distribution.

##### **Covid 19- Collaborative Update**

Dan reported that the Collaborative is working toward moving out of the yellow tier. The vaccination rates are resulting in lower infections throughout out the county. The Collaborative is considering announcing a goal of 70%-71% vaccinated by the summer. Testing is still a priority for the collaborative. The Vida project has community health workers that are bringing services into very rural communities where the impact has been very effective.

##### **Staff Update-**

The Director of Operations is being advertised. There are new staff members in administration and philanthropic services. We are filling the front desk and finance positions in the next few weeks.

- Cash on hand at 10.6 months partly due to forgiveness of PPP loan of \$414,000 that was booked in March 2021
- Corrections on page 2:
  - Chaffers Living Trust was not to Operating Fund but established a designated fund for the SPCA
  - Mr. Steve John was not an individual gift but a grant from the Monterey Peninsula Foundation to the Covid Relief Fund

## Community Impact Committee Minutes of the May 5, 2021 Meeting

**Committee Members Present:** Betsy Buchalter Adler, Chair; Teri Belli, Romero Jalomo, Judy Krueger. Adriana Melgoza, Francine Rodd.

**Committee Members Excused:** N/A

**CFMC Staff Members Present:** Dan Baldwin, President/CEO, Laurel Lee-Alexander, VP of Community Impact; Janet Shing, Director of Grantmaking; Michael Castro, Community Initiatives Manager; Esther Figueroa, Scholarships and Community Impact Officer.

**Call to Order:** The regular meeting of the Community Impact Committee of the Community Foundation for Monterey County (CFMC) was called to order at 9:03 AM by Betsy Buchalter Adler. The meeting was held via Zoom.

**Approval of the February 3, 2021 minutes:** Motion: Francine Rodd/Second: Judy Krueger; motion carried.

1. Welcome: Betsy welcomed the committee.

2. Community Impact Department Update

Laurel provided an overview of the Community Impact (CI) staff team, including new Community Impact Officer, Joel Hernandez.

3. Grantmaking and Other Updates

a. Community Impact – how is the first year of the re-envisioning going?

- Janet provided an update about the spring cycle for the CI grant program. The program is less competitive and there were fewer grant applications for this one cycle in 2021 (98) compared to two cycles in 2020 (176). Also noted is we moved from four grant application deadlines/year to one deadline in 2021.
- We attribute the fewer applications received to: 1) We awarded 37 grants for the Fall 2020 cycle (December) and those grantees were not eligible to apply in 2021; 2) Some organizations that applied each year did not apply in 2021.
- We continue to work with two grant subcommittees and have conducted virtual applicant site visits. The subcommittees will make grant recommendations for Board consideration at the Board meeting in June.

b. COVID-19 Relief Fund

- Laurel noted the CFMC's gratitude for the generous donations to the COVID-19 Relief Fund: over \$5.6M has been raised; including third party grants for the COVID-19 Collaborative.
- \$3,640,646 has been granted through 159 grants from the relief fund; the smallest grant is \$5,000; the largest is \$68,687.
- 35 organizations have received more than one grant from the Relief Fund.

- Laurel read a thank you letter from the Hartnell College Foundation, which received \$30,000 for emergency relief scholarships and technological support awarded 5/7/2020.
- c. COVID-19 Collaborative
- Michael provided an overview of the COVID-19 Collaborative and noted the CFMC's convening role in this multisector initiative.
  - The Collaborative's purpose is: "A countywide multi-sector collaboration of existing and needed efforts addressing COVID 19 and its impacts on our community and advancing a coordinated action plan driven by science and best practices in public health and equity."
  - The County of Monterey granted \$4.9M to the CFMC for VIDA: Community Health Workers (CHWs) who connect residents that are infected and use case management to identify needs and quickly connect them to resources residents need to successfully isolate/quarantine. VIDA also supports Covid-19 vaccination through education and outreach programs.
- d. Scholarships Update
- Esther provided an update about the CFMC's scholarships program.
  - The number of scholarship applications decreased from 1,208 in 2020 to 1,692 in 2021. COVID-19 and the resulting remote learning and shifting of education plans are factor. Other community foundations have also received fewer applications this year.
  - There are three new scholarship funds in 2021 to-date. In 2020, there were six new scholarship funds.
- e. Other
- Laurel provided an update about The James Irvine Foundation's partnership with the CFMC through two phases of regranting in Salinas for civic engagement and community leadership (2018-2021), entrepreneurship and microloans (2020-21) and a potential grant for inclusive economic development (tentatively 2021-23).

**Adjournment:** The meeting was adjourned by Betsy Buchalter Adler at 10:03 AM.

*Minutes prepared by Laurel Lee-Alexander*

**Philanthropic Services Committee Meeting  
Wednesday June 9, 2021  
Zoom**

**1. Welcome**

**-Introductions:** Christine Dawson, Minnie Elliott, Joe Pezzini, Betsey Pearson, Teri Belli, Brian Thayer, Mackenzie Little, Andrea Scott, Hansen Reed, Amanda Holder, Abby Taylor-Silva

**Missing in Attendance: Jennifer Walker, Maija West**

**2. Gift Process Transformation**

- Project team has been formed and it includes finance, admin, PS team. Funding comes from Packard Foundation. Gifts by check are the current focus on the gift process transformation.
- Goal: reduce work time by 40%, improve efficiency, minimize paper, reduce work time per gift. Root causes for slow processes: physical paper, excel spreadsheets, workarounds for functions that FIMS does not provide, and non-automated processes. Many processes and steps are manual and not automated.
- The team is also implementing self-checks rather than other team members checking each other's work.
- Total gift process steps using "old" systems—86; total new gift process steps with all new process improvements—57.
- Team members are all assigned individual tasks that have their own deadlines. This is managed through Micro Teams.
- In the Fall the gift process project team will be working with Lee Kuntz on improving gift process efficiencies with DAF grants.

**3. Hot Topic: Celebration of Philanthropy**

- A hybrid in-person and virtual event is favored; the in-person portion would be outdoor, limited, socially distant and flexible capacity. The idea of showing proof of vaccination for event entry is complicated and nuanced and may lead others to feel excluded. Setting the event capacity on the smaller side, and letting it grow to a larger capacity as the restrictions change will give flexibility in planning. Securing the venue is an important first step moving forward with an in-person event.
- There will be no Women's Fund or Affiliate Fund events in 2021.
- Donor education events: There is currently a pause on donor education events due to Zoom fatigue. People are also experiencing COVID fatigue, tired of putting all their focus on COVID news and updates. Summer will also pose a difficulty in moving forward with donor events, as many will be traveling and away during the summer. CFMC has been keeping in touch with donors by printed mail and eblasts/newsletters.
- Donors and fundholders are becoming interested in in-person meetings again.

**4. Affiliation Funds**

- Northern Monterey County Foundation just had a grant deadline. It has \$40,000 to grant and receive \$38,000 in requests. The fund recently received a pledge from Ocean Mist Farms.
- Southern Monterey County Foundation grants are in September. The board is currently working on a promotional/fundraising video in lieu of an event. It will highlight grantees and donors.

- Weston Call Fund developed first year of grantmaking. Application goes live on Friday, 6/11. \$37,500 is available to be granted this year.
- CFCV opened early 2020; has been focused on fire relief and \$224,000 was raised for fire relief. \$188,000 has been granted out. CFCV will be reinvesting leftover money for potential fire relief for 2021.
- Siembra Latinos Fund is in the middle of their current grant cycle; \$23,000 will be granted out. Applications close on the 18<sup>th</sup>. In 2020 Siembra granted money for COVID relief.

## 5. Communications Report

- Blog posts, newsletters, and socials have been regularly updated. Packard Foundation has assisted with PR for VIDA through the C19 Collaborative.
- Fire Relief Fund report focuses on fire relief efforts through Big Sur, Carmel Valley and goes out to 1,600 people this week.
- The most recent newsletter will be expanded with 8 additional pages that focuses on C19 efforts from CFMC.

## 6. Resource Development Report

- \$15million in expectancies has been added.
- The PS Team is taking a deep dive into DAFs, Scholarship Fund holders, and Legacy Society prospects. The PS Team is investigating which donors they can start or continue conversations with to get them into Legacy Society or if they can grow their current funds.
- Scholarship Funds are growing, and we are currently in scholarship season.

## 7. Upcoming Events

- Christine and Andrea will be hosting a webinar in August for the nonprofit community which will showcase CFMC's services and CGAs/ CRTs.

## 8. Adjourn @ 4:57pm

## 2021 Meeting Dates 3:30-5PM:

September 8th  
November 10th

### STRATEGIC PLAN GOAL #2

***Philanthropic Leadership – Inspire and facilitate philanthropy for equitable outcomes throughout Monterey County.***

1. Seek and align funding partners, both internal and external, to realize greater community impacts and a more just and equitable Monterey County.
2. Educate the public about philanthropy and its impacts. Engage professional advisors in a thoughtful and strategic way.
3. Grow discretionary assets (Fund for Monterey County) in order to resource the CFMC's ability to make targeted investments and respond to changing needs over time.
4. Enhance fund holder philanthropy through responsive service and donor education; continue to seek greater alignment between donor advised grant making and prioritized need.

**Present:** Nolan Kennedy, Chair, Richard Aiello, Teri Belli, Giff Lehman, Fred Meurer, Loren Steck and William Tebbe

**Absent:** Kirk Gafill

**Staff:** Dan Baldwin and Kim Drabner

**Guests:** Alfred Diaz-Infante, President/CEO, CHISPA

The Special Meeting of the Community Impact Investment Committee of the Community Foundation for Monterey County was called to order by Nolan Kennedy at 4:01 PM on May 11, 2021. The meeting was conducted via Zoom.

### **Discussion Items**

The meeting was scheduled to discuss a request from Community Housing Improvement Systems and Planning Association, Inc. (CHISPA) for a pre-development loan in the amount of \$250,000.

Alfred Diaz-Infante discussed how quickly changing construction costs have created a need for finalized construction design and engineering plans so that more accurate construction cost estimates can be provided. To meet this need, CHISPA is requesting the pre-construction loan to cover all pre-construction costs for an affordable housing project in King City.

The source of repayment funds was discussed, as well as repayment sources in the event the project does not move forward. Further information was presented by the CHISPA representatives on the construction financing and use of tax credits for which they will be applying. It was noted that the pre-construction financing commitment will also serve as leverage for the tax credit application.

Alfred opened the discussion up to questions from the committee and offered more details about the project and tax credits. With no further questions, CHISPA representatives were dismissed and the committee discussion continued.

While there were remaining questions about the details of the tax credit process, the committee unanimously agreed to move forward with the loan. The conditions of the loan are to be:

- 2.5% interest
- Unsecured
- Repayment within five (5) years or on receipt of construction financing, whichever is earliest
- Six (6) month draw period with final draw by sixth month; intermittent draws to be allowed (term and amount to be determined by Finance)
- Interest only, paid quarterly
- Underwriting to be done on contract by Phil Carey

Having no further business, the meeting was adjourned 5:11 PM.
